ITEM 7.01 REGULATION FD DISCLOSURE

This Current Report on Form 8-K/A (this "Amended Form 8-K") amends and supplements the Form 8-K originally furnished by Pitney Bowes, Inc. (the "Company") on February 11, 2025 (the "Original Form 8-K") solely to correct the description of its free cash flow guidance contained in Exhibit 99.1 to the Original Form 8-K and include additional information regarding the Company's dividend. Except as described above, no other portion of the Original Form 8-K (or Exhibit 99.1 attached thereto) is amended hereby.

Dividend Announcement

The Company announced on February 11, 2025, that the Board of Directors of the Company has declared a quarterly cash dividend on the Company's common stock of $0.06 per share. The dividend will be paid on March 24, 2025 to stockholders of record on February 21, 2025.

Correction to Free Cash Flow Guidance

The press release issued by the Company on February 11, 2025 announcing fourth quarter and full year 2024 financial results, as well as a presentation posted to the Company's investor relations page on the same day, contained the following statement: "Free cash flow for 2025, which excludes restructuring payments and capital expenditures, is expected to be in the range of $330 million to $370 million." This information was similarly conveyed during remarks by the Company during an investor call held on February 11, 2025.

The Company wishes to clarify that its expected free cash flow for 2025 includes capital expenditures. The statement should have read as follows: "Free cash flow for 2025, which excludes restructuring payments, is expected to be in the range of $330 million to $370 million."

The Company has made updated versions of the press release and earnings presentation reflecting this clarification available on its investor relations website.

The information contained in Item 7.01 of this Amended Form 8-K is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 and shall not be deemed incorporated by reference into any filing made under the Securities Act of 1933, except as expressly set forth by specific reference in such filing.
